

# YES! *Cartons are Recyclable!*

**NOW! REPUBLIC SERVICES accepts cartons for recycling!**

The last drop of milk, juice or soup does not mark the end of a carton's useful life. Cartons are easy to recycle and in high demand.

**HOW?** Simply place empty cartons in your recycling bin with your plastic, metal and glass containers.

**WOW!** The bales of recycled cartons are shipped to paper mills, where cartons are mixed with water in a gigantic blender to extract all the paper fiber. These recycled carton paper fibers are a valuable resource for making products such as recycled paper products and even building materials.
