**MAIN REPORT**

The City has investigated using the state bid system for a new lawn mower and camera system for the community center. These will be submitted to the Finance committee in April.

The IT and phone systems are in process.

The City will be contracting with a Civil Engineering firm to survey the areas that have sidewalks, crosswalks and ramps. This is part of the ADA plan we passed. The goal is to improve accessibility and to comply with state and federal requirements.

With nothing further, the meeting adjourned at 6:55pm.

Respectfully submitted,

---

City Clerk
