ADJOURNMENT

The Mayor explained the changes to the handbook.

Alderman Willey asked about Ipads, and Ipads vs laptops. This is something also to be discussed at the board meeting regarding comfort level of the board with each of these items. The important thing is saving paper/trees/environment.

Alderman Willey asked what resources the city has regarding the playground. They discussed putting up a smaller one, or maybe securing funding elsewhere.

City Administrator Zaiz said the city wants to finish the walking path and get the lights up before they do anything else, but the city can revisit the playground in the beginning of the new year.

City Administrator Zaiz also discussed parking in the park that would be available in the upcoming months.

With nothing further, the meeting adjourned at 7:21PM.
