MAIN REPORT

City Administrator Doug Zaiz reported that Public Works is preparing the Pool building for winter shut down. At the end of the month the restrooms will be locked and portable restrooms delivered. The City is also considering ways to improve the public restrooms and showers, as well as the water slide. The restrooms need to be upgraded for continued use and more volume.

The side walk improvements are continueing. We have shaved as much off as possible, now we will focus on tree root issues. The next step is to replace the slabs that are unable to be fixed. Ramps and crosswalks will come later.

There has been a few resident complaints about a home in the 4400 block of Lindscott for property maintnaince and possibly occupancy violations.

Respectfully submitted,

City Clerk
