MAIN REPORT

The pool is running smoothly.

The ADA compliance of our sidewalks is moving along. The process of shaving the sidewalks was explained by City Administrator Doug Zaiz. This will even out the sidewalks that can be fixed, before replacing those that cannot.

Mr. Zaiz attended a meeting for the I-70 project which is hoping to improve the movement of freight through the area.

Vatterott asked about the Hetscho properties and they are coming along nicely. Alderman Hogan noted that he did cover 2 windows with siding. Mr. Zaiz answered that as long as there is one window in each bedroom it meets the ICC 2009 codes which is what the City has adopted.

Respectfully submitted,

City Clerk
