## MAIN REPORT

City Administrator Doug Zaiz reported the following:

Best Western Plus is progressing.

Pool is staffed and scheduled to open May 25.

The Concert in the Park was cancelled due to wet conditions. The flower give away was moved to the City's Trash event the following week. Remaining flowers were used to beautify medians.

The Trash bash event that took place May 11 was the coldest recorded May 11 in history. It rained the entire 4 hours and we served 15 people.

The water main projects near Vance and Bataan are nearly done. They need to repair the roads and will be finished.

Weather is hindering the Community Center parking lot in the park.

We are aware of high grass in the city. This is due to a culmination of things. Our code officer has been out on medical, the rain and saturated ground has not helped as its near impossible to mow in the mud.

With nothing further, the meeting adjourned at 6:50pm.
