## GENERAL DISCUSSION

Mayor Besmer shared with the Committee that he and City Administrator Doug Zaiz had met with a resident, Laura Madden, who is retired and back in town. She spent several years in Washington DC as a lobbyist, and feels she can be useful to the city.

There is a large MoDot project coming up, the possible privatization of the airport, and other things in the City's comprehensive plan that she knows the way things run and how they work and could be really useful as a spokesman for Woodson Terrace.

After a short discussion, Alderman Hogan made a motion to bring this to the entire Board.

Hogan Aye

Mills Aye

Willey Aye

Zaiz Aye

Motion passes 4-0.

Other discussion:

Chief Mayberry said the PD ordered the new cars.

Mr. Zaiz reported on the Public Works side there was a leak on Ambro and with Alderman Hogan's help they got that taken care of. Also, they are still negotiating on the Edmundson house. They will meet next Wednesday on that.

With nothing further meeting adjourned at 7:20pm.
