MAIN REPORT

City Administrator Doug Zaiz commended the Public Works crew on their work during the snow storm. They received several compliments from residents.

Mr. Bhasin, City Clerk Ellie Crane and himself had an open town hall type event on the sidewalk project. They obtained several easements, and are waiting on just one.

City Attorney Frank Vatterott asked about the vegetation lost with this project. Doug Zaiz said they would be replacing the trees with a tree with a more controlled root system.

The pool will need some attention this summer. The slide water system, and overall plumbing needs to be updated. This will help with the water bill.

Alderman Joan Willey asked about the walkway at Lilly Jean and Edmundson. Mr. Zaiz said the bids had expired and they would like to use concrete instead, as there is a newer type that is more flexible and is more affordable.

Respectfully submitted,

City Clerk
