

MAYORS FOR MEALS

Summer Food Drive

JUNE 20-24, 2022

Join Mayors across the St. Louis area for a special food drive to support our communities!

WHY SHOULD I PARTICIPATE?

Summer break for many means a break from meals that are normally provided at school. This means families must provide 3 meals a day. The current economic climate has made the situation even more challenging. It takes all of us to ensure our communities are cared for.

WHAT HAPPENS TO THE FOOD COLLECTED?

All donations will go to the St. Louis Area Foodbank and will be distributed to their partner agencies in YOUR area for distribution to those in need.

WHAT KINDS OF FOODS SHOULD WE COLLECT?

Here are some of the most needed items:

- | | |
|---------------------------|---------------------------------|
| Canned meat and fish | Granola bars |
| Mac and cheese | Crackers |
| Canned fruits and veggies | Personal care & household items |
| Canned chili | Baby care products |
| Cereal and oatmeal | Feminine care products |
