VISION STATEMENT

“The City of Woodson Terrace will be a community where small town atmosphere will provide the basis for integrated sustainability and development.”

- **Distinct and identifiable community**
- **Orderly growth and development**
- **Promote economic and recreational opportunities**
- **High quality shopping and entertainment experiences**
- **Offer diverse (life cycle) housing types**
- **Provide multi-modal transportation options**
- **Environmental stewardship**
- **Attractive and healthy active living environment**
