MAIN REPORT

Public Works has done a major portion of the storm clean up. The chipper has run with out a hitch, and they have taken 26 loads of debris to the dump. They will continue until July 28th.

Camp and Pool seasons are winding down.

We are moving forward with the crack sealing bids.

We attempted to contact Woodson Retail LLC, but they are not responding.

The City is working with Problem Properties to condemn the Economy Hotel (former OYO) there was an electrical fire from a short in an AC Unit. A water mane there had suffered a previous break and was never fixed, so they had to use a pumper and a farther away hydrant.

The Fire Department wants it demo'd, but it could be rebuilt from scratch, because the structure is okay.

With nothing further meeting adjourned at 6:57pm.

City Clerk
