Secondly, the Police Department would like to acquire a Media Capturing Station from REJIS. This is a regional mugshot system that allows our Department to share and view mugshots with other departments with the system.

This is not a new product.

The initial startup cost is \$8,200.00. This includes the camera system and the first year. It will be \$2300.00 per year for maintenance. This falls into their equipment budget, and will come from there.

Alderman Mills asked for a motion to spend up to \$6,010 dollars for the REJIS Camera system.
