Chief Orlando began by explaining the Guardian Software. This is a program required by CALEA (accreditation committee) that tracks use of force complaints, pursuits, and officer policy violations. This gives the command staff any red flags or trends. It also has a feature to compliment officers, and tracks that as well.

The prorated cost, including \$450.00 for set up, will be \$987.75, and will come from Prop P. Yearly maintenance will be \$2,151.00.

Alderman Zaiz made the motion, seconded by Alderman McCabe.
