Maryanne Zaiz	AYE

The following items were discussed,

MAIN REPORT

The roofs on the park buildings have been repaired. Some details on the Town Hall are still being worked through with the insurance company.

Plumbing improvements are being made at the pool.

They are searching for a company to sandblast and repaint the pool; otherwise, Public Works will touch it up.

Spot patching of potholes is continuing.

The water in the park should be on by mid-April.

They are currently getting bids to repair the fence at Public Works.

Mayor Besmer asked if this would help with erosion. Doug Hill responded they are working with terrain specialists to fix that issue.

They are currently getting bids to overhaul the exterior of Town Hall.

The new Mosquito fogger is being prepped for the season.

Code enforcement currently has 318 active cases, 74 new in 2024 alone.

Alderman Welby asked how long it takes a ticket to get through the system.

Doug Hill explained they give a 10-day warning, but a ticket can take up to three months to get into court.

With nothing further, meeting adjourned at 6:56 pm.
