**REQUEST FOR
PURCHASE: PUBLIC
WORKS**

Deputy Director of Public Works Doug Hill brought to the table a request to lease 3 new White Ford trucks with 3 snow plows and salt spreaders installed on them. Doug brought two options to lease these trucks. Ford and Knaphide.

Doug explained with Ford we can lease the trucks, plows and salt spreader all together for a monthly total of \$5,609.28. It is a four year lease and we will have the option to purchase trucks at the end of the contract for \$1 each. The total paid over the four years would be \$269,245.44. The Plows are the brand Western Plows and they do not have a local dealer so the parts would be harder to get and take longer to receive.

Doug explained with Knaphide we can lease the three Ford trucks the but would have to purchase the plows and spreader for a total of \$55,041 including installation. The four year lease for the Trucks would be \$3,922.71 monthly and the total after the four years would be \$188,290.08. The total for the leased trucks and the plows and spreader is \$243,331.08. At the end of the four year lease we will have the same option the purchase the trucks for \$1 each.

Both options would have New White Ford trucks and stainless steel snow plows.

Another added cost for either option would be for LED strobe/safety lights totaling \$2,556.54. One Brine truck system totaling \$3,900.00, and Lettering all three trucks totaling \$661.70 a grand total of \$7,118.24.

Doug Hill also explained they would be selling the two oldest trucks Public Works have and selling their oldest snow plow.

After some discussion the Mayor and Aldermen thought the Purchase from Knaphide was going to be the best option for the City. A phone vote took place on July 16th, 2024 to recommend the purchase of three new White Ford trucks all installed with snow plows and salt spreaders for a grand total of \$250,449.32 after four years and the additional charges of \$7,118.24.

The vote thereon was as follows:

Alderman Conlon	“Aye”
Alderman McCabe	“Aye”
Alderman Zaiz	“Aye”

The motion carried.

With no further business Mayor Lawrence Besmer called the meeting to Adjourn. The meeting ended at 7:23pm

Respectfully submitted,

Sarah Piel -City Clerk
