## MAIN REPORT

The pool house, Town hall and all park pavilions roofs have storm related damage. All buildings and structures have been inspected by a Mirma insurance adjuster. We have received good news that this will all be under one claim, with a deductible of \$1,000, instead of per building.

The streets have received some patching. The next step is crack sealing, which will be on all streets. There are a few areas that need a complete re-do, and they will be milled and repaved.

This will be January or after.

With nothing further, the meeting adjourned at 6:50pm.
